Athletics Down Red Deer, Camrose In Thrilling League Hockey Games

Defeat Red Deer 4-2

The Lacombe hockey team turned on the heat in the third period against Red Deer last Thursday night in Red Deer to score four goals and win the game 4-2. Lacombe was full value for the win as they played wide-open, thrilling hockey that sent the crowd into a frenzy. It was a typical Lacombe-Red Deer match, with no quarter given or asked. The teams hit a fast clip all through the game, with Red Deer wilting under the strain in the third period.

The first period was all Red Deer as the red-shirted forwards swept in on Stewart time after time, only to be robbed and outguessed by the Lacombe goaltender. Towards the end of the first period, Simituk let go a low, hard shot from the blue line which crept past Stewart to put Red Deer one up.

No Score in Second Period

The second period was even, with each team sending four and five-man rushes up the ice that had the crowd in an uproar. Dillon was the busiest man on the ice as he picked off shot after shot to keep the Red Deer net intact. Towards the end of the period tempers flared slightly

Stettler and Lacombe Tangle Here Tonight

The Stettler Imperials step onto the Lacombe ice tonight (Thursday) to battle the local Athletics in a regular Central Alberta Hockey League fixture. The game promises to be a fast and rugged contest, as both teams are hitting their mid-season form. The Athletics, fresh from two victories away from home over Red Deer and Camrose, are determined to make it three straight, while Stettler will be fighting hard to join Lacombe in the second place standing of the league. The game starts at 8:15.

Last time Lacombe and Stettler played, the teams were stalemated with a 2-2 score; but a lot of water has flowed under the bridge since. Stettler hit their scoring stride with a victory over Camrose, and Lacombe also is hitting on all six. It should be a good game. Let's support the boys!

Camrose Beaten 5-4

It was youth against experience at Camrose last Saturday night when the Lacombe hockey team downed the Camrose Maroons 5-4 in as tough and thrilling a hockey game as anyone could wish to see. Down 3-1 at the end of the first period, the local Athletics came back to even the count at 4-4 in the second period and score the only goal of the third frame. The Athletics skated the husky Maroons off their feet, back-checked mercilessly and turned on the pressure for minutes at a time to disorganize the big Camrose team.

Slashing and high sticks became the order of the day from the middle of the game on as tempers grew red hot under the fast play. Haverstock and Ryan were banished for five minutes each when they staged a little private feud of their own in a corner.

Goals by Eloch and Weiss for Camrose early in the first period caught the Athletics by surprise, and for the first 15 minutes of the game Camrose was the only team on the ice. Then the Athletics found themselves and came storming in on the Camrose net. Clift countered for Lacombe to

Discuss Building of New Barns at Fair Grounds Here

Plans for the erecting of two new barns at the Lacombe Fair Grounds were discussed at a recent meeting of the Lacombe Fair Grounds Co., Ltd. The proposed buildings would be sufficiently large to house one hundred head of horses each, and would be built mainly for the convenience of the Lacombe Farmers' Horse Sales.

Financing of the barns, which would cost close to $4,000, was discussed, and the Dominion Government will be approached to aid in financing of the project.

HORSE SALE DATES DEFINITELY SET

Over 450 entries are already in for the Lacombe Farmers' Horse Sales, the date of which is definitely set for next March 14 and 15. It is expected to be the largest sale ever held in Lacombe.

Thirty Xmas Hampers To Be Distributed

Approximately thirty families will receive Christmas hampers Saturday night. A list has been compiled by the Lions Club, working in conjunction with the Central Relief Committee, and purchases will be made Thursday (today).

Donations received for this Christmas "Sunshine Fund" include one dollar from Rev. W. E. Herbert and a substantial donation from the Loyal Order of Moose.

H. J. Bailey also contributed one dollar towards the fund. Acknowledgment of 15 pairs of mitts, knitted and donated by the Fairview Church C.G.I.T., is also made by the committee in charge.

Former Spruceville Resident Dies in Peace River District

A complete report of the recent death of Mrs. J. M. Southward, formerly of the Spruceville district, has been obtained from the "Northern Tribune," published at Grande Prairie, and is as follows:

"The funeral of Mrs. J. M. Southward of the Clairmont district, who passed away at Grande Prairie on Saturday evening, Nov. 26, following an illness of two weeks, was held Tuesday afternoon. There was a large attendance at the services, held in Christ Church (Anglican), Grande Prairie. Rev. T. D. Jones officiated. Burial took place in the Grande Prairie cemetery. Pallbearers were: W. S. Macdonald, D. I. Redwood, Jack Oatway, S. Whitton, S. Drysdale and M. Pollock.

"Mrs. Southward was born at Whitehaven, Cumberlandshire, England, where she and Mr. Southward were married in 1913. In the same year they came to Canada, settling in the Lacombe district.

"On the death of Mr. Southward's brother, 'Ike', they moved to the latter's farm, one and a half miles east of the village of Clairmont.

"The following are left to mourn Mrs. Southward's passing: Husband, two daughters living at home, Jean and Rosalie, and a son, Harry, with the Air Force at Vancouver.

"Two brothers also survive, one living in Florida and the other in South Africa. Mrs. Southward was in her 61st year."

Santa Claus to be Here For Only Three More Days

He Closes His Mail Box Friday Night; Urges All Kiddies Writing Him to Call

Santa Claus and his two Brownies were as busy as "bees in a hive" last Saturday handing out letters and parcels from his headquarters in Lacombe to the hundreds of children who have written him. Scores of children, and many mothers with babes in their arms, literlly swarmed around the building, and all waited their turn patiently while the sorting of the various boxes, containing their replies, were checked over.

The happy and smiling faces of the kiddies, as they received their letters and gifts from Santa, told more than their thanks could express, the thrill they were having. Each day since Monday, Santa has received a steady stream of callers, and he has requested the Globe to again impress on all those who have written him to call for their replies.

Gifts Cannot Be Mailed

In spite of his warning through the Globe last week, several ask that their replies be mailed them. This would entail a tremendous amount of work which Santa cannot do, and it is NECESSARY that the replies be called for, or have some friend to call and ask for them. POSITIVELY NO GIFTS WILL BE MAILED OUT.

All letters received by Santa up to last Tuesday night have been answered, and children who have written him are again asked to get their replies as soon as possible. Santa also informs the Globe that a number of children are writing in twice, but he is NOT giving any attention to any second letter received. Santa is at his headquarters today, and will be there all day Friday and Saturday to see his callers. He will answer any letters received

Curling Season Opens With 'Spiel Tuesday Night

An enthusiastic President vs. Vice-President bonspiel opened the curling season here Tuesday night, when the President and his supporters turned in a victory over the Vice-President's retinue. M. G. Cruickshank, President, received a final count of 87 points, with Vice-President Harry Teare chalking up 43. There were two draws, with 16 rinks competing in one of the most successful opening 'spiels of recent years.

Perfectly marked rinks greeted the 64 curlers, and the ice, whitened by Caretaker I. O. Irish, is in wonderful shape. A large audience of spectators played the games with as much enthusiasm as the players on the ice. A bean feed was put on by the executive following the play.

Results of the 'spiel were as follows: M. G. Cruickshank won from H. Teare; C. E. Todd won from T. Wilkes; D. MacDonald won from J. S. McCormick; E. H. McCaugherty won from P. W. Pratt; L. P. Winter won from J. S. Fraser; T. Lorimer won from F. J. Stewart; D. Hay won from T. Woods; I. O. Irish won from E. W. Bowering.

Free Xmas Dinners For Needy Citizens

Christmas dinners will be served on Monday, Dec. 26, for those who are themselves unable to provide for a special Christmas repast. The Salvation Army has been asked to handle the Texaco Nickel Club in providing these dinners for the needy of Lacombe and district. People in straightened circumstances will be served.

Tickets will be available at the office of the Lacombe Globe or from J. W. Marshall, Railway Street, Lacombe. Tickets will be issued for dinners at Avery's Cafe, Club Cafe and the Public Cafe in town.

All the less fortunate men and women and their families are cordially invited to take advantage of this offer. Adjutant Mac Young of the Salvation Army at Red Deer will be pleased to hear from any who plan to attend.

School Hockey Teams Start Schedule

Intermediate School hockey players turned out at the local rink last Monday afternoon for their first encounters. Play was fast throughout as the Anti-Aircrafts, captained by J. Avery, down H. Lindskog's Snowballs, by a 5-0 score. L. Minkler's Ice-Burners took the Dynamiters, headed by Les Petry, for the same score in the second game of the afternoon. The ice was in good shape for the encounters.

Students of Grades 10 and 11 practiced during the Health Class in preparation for a hockey game with the College Heights team next Tuesday. On Wednesday, Dec. 28, they will tangle with the Sylvan Lake High School team in a battle which promises to be a close and interesting event.

Formation of a public school hockey league was discussed at a meeting of public school students held at the rink last Saturday. The league will be supervised by L. Mathieson.

Mr. and Mrs. J. L. Paull of Haynes Observe Anniversary

Mr. and Mrs. J. L. Paull of Haynes celebrated their silver wedding anniversary on Dec. 15. Dinner guests entertained at their home were: Mrs. W. J. Garvin of Barons, sister of the latter, their daughter, Evelyn, and Mrs. Paul's mother, Mrs. Angus French of Lacombe; Mrs. Ole Boode of Red Deer, Mr. and Mrs. Ray Bullis and Mr. and Mrs. Hugh Gunn of Lacombe. Mrs. Bullis and Mrs. Gunn were guests at the wedding of Mr. and Mrs. Paull 25 years ago.

Two sons were also home for the occasion.

The couple received some lovely gifts, including a reading lamp from the family. About 9 o'clock in the evening friends called and escorted the happy couple and their guests to the hall in Haynes, where a large crowd of friends and neighbors were gathered to receive and congratulate them. A social hour was spent at cards, honors going to Mrs. A. Lakeman and W. Bronson. Lunch was served, after which Mr. Jordan, on behalf of those gathered, presented Mr. and Mrs. Paull with a silver cream and sugar with tray. Mrs. Paull thanked the crowd for the gift and a very pleasant evening.

The Paull family have lived in the Haynes district for about five years and have made many friends. All wish them many more years of happy wedded life.

FAMILIAR FIGURE PASSES

An old and familier figure in Blackfalds passed on last week in the shape of "Curly," J. V. N. Miller's dog. For about 15 years he faithfully met every mail train and was well known to the trainmen, who kept and threw out their bones to him. But Father Time got the better of him, and it was found necessary to shoot him last week.

Stolen Turkeys Returned to S. R. Banks

Turkeys stolen from the farm of S. R. Banks of the Mountain Grove School District were returned to him before he had discovered the loss. R.C.M.P. officers, on highway patrol, picked up three Ponoka men last Thursday morning between Leduc and Wetaskiwin with a load of turkeys. Upon questioning the men, the police officers became suspicious. Investigations disclosed that the turkeys were stolen from Mr. Banks.

The three men, Abe Bruinsma, Irvine Calkins and Jack Deon, all of Ponoka, were arraigned before Magistrate G. O. B. Gore-Hickman Thursday morning on a charge of theft. They pleaded guilty and were sentenced to three months' imprisonment and a fine of fifty dollars. In default of payment, another three months were added to their sentences.

Town Council Holds Meeting

A bylaw setting the nomination day for Town elections for February 6, 1939, and the elections on February 13, was passed at a regular meeting of the Town Council held Monday night. L. P. Minkler was appointed as returning officer for the elections.

A resolution, to be forwarded to the Federal Department of Public Works, relating to the diversion of the Blindman River into Gull Lake, was passed. The motion asked for a survey of the land and estimated cost if the plan is feasible.

J. H. Watt was appointed caretaker of the rink for the winter season, his duties starting on December 1.

Christmas Messages

From Reeve O. Hueppelheuser

CHRISTMAS, 1938, has rolled around with the inevitability of time, and on behalf of the Council of the Municipal District of Crown I wish you, one and all, an exceedingly Merry Christmas and a New Year filled with prosperity, health and happiness.

We have just finished harvesting one of the best crops in years. While the returns from our year's labor have not been as bountiful as we might have wished and hoped for, we have, nevertheless, an abundance of feed for our cattle. The weather this fall and early winter has been unusually kind, with no hardships as yet on the stock. A warm and balmy Indian Summer has been followed by a very mild and moderate November and December—weather that has been seldom equalled in this district.

Free as we are from the worries and turbulent times which are rocking Europe and other countries, we may look forward with optimism to a New Year full of new hopes, new ideas and a new era. The old age greeting, "Peace on Earth, Goodwill Towards Men," is not a mockery in Canada—for that we may be truly thankful.

-:- -:-

From Rev. W. E. Herbert

IT is my privilege to send to all friends, new and old, a word of greeting as I wish you a Merry Christmas and a Happy and Prosperous New Year. May the coming Christmas festival be one of thanksgiving to Almighty God for His mercy and loving kindness to us. At this Christmas time we must realize that what is wanted for the healing of the world rivalries and stripes is that steady temper of the Peacemaker which is the gift of the Prince of Peace. In the quiet pause of this we should ask ourselves whether anywhere except in Christ can be found the power which will overcome the hatred of nations and classes and individuals. The Saviour pronounced a special benediction on the Peacemaker. His blessing rests upon all endeavours which make for the harmonizing of our discords. To every one comes the call to show in all the relations of life that love "which is the very bond of peace and of all virtue."

From Mayor T. Wilkes

TO the Citizens of the Town of Lacombe: At this festive season of the year may I, on behalf of the members of the Council, wish you all a very Merry Christmas and a Bright and Happy New Year.

The year 1938 is now drawing to its close and in looking backward, we who live in Canada, even though employment conditions might be better, have much for which to be thankful. Our Dominion has been free from the terrifying anxieties of threatened war. The autumn crises, involving as it did the peoples of the United Kingdom, brought home forcibly to Canadians who have lived in peace for over a hundred years with our neighbors to the South, the harrowing thoughts of another conflict, for, had our Mother Country become involved in an European struggle our peaceful land would again re-echo to the sound of marching feet.

In our own Province and district we have this year been blessed with an abundant harvest, and although the prices for farm products are discouragingly low, it has had the effect of injecting a feeling of optimism in those engaged in agricultural pursuits, lightened the burden of unemployment relief and has reflected to the urban areas whose peoples depend so much on the success of their rural neighbors. We would be ungrateful indeed were we to fall short in our thanks for our many blessings at this time.

From Rev. A. L. Carr

IN a year which has seen many upheavals, and one filled with dreadful fears, the world is glad to retreat again at its close to another Christmas of rejoicing.

What the birth of the babe in Bethlehem of Judaea, nearly two thousand years ago, has meant to mankind, no one can estimate. The yearly observance of that birth,—with the exchange of gifts, cards of greetings and the singing of Christmas carols, all add immeasurably to the perpetuation and fulfilment in the world of the spirit of the Christ whose whole life was one of Peace and Good Will toward all men. We pray and sing for the fulfilment of that universal day. We in this land of peace and plenty are deeply thankful that we are privileged to share in this season's rejoicing.

Christmas - 1938

ANOTHER year—another Christmas, and with it the accompanying spirit, "Peace On Earth, Goodwill Towards Men." At no other time of the year does the festive spirit so universally invade the population of the earth. Just as old Scrooge in Dickens' immortal "A Christmas Carol" was caught on the crest of this spirit, so the people are caught and whirled madly in the vortex of the holiday mood.

Santa Claus, flying high over the chimneys in his reindeer-drawn sleigh, is symbolical of the freedom which Christmas brings to worried minds and festered bodies. For a day at least, cares are dropped, worries and business forgotten and a sparkling crispness of frivolity, friendship and goodwill fills the air

But why should this mood, welcomed so gladly, be dropped so lightly at the end of one short week? Why should not this spirit of "Peace on Earth, Goodwill Towards Men" be observed 52 weeks of the year, instead of just the one? If this spirit was kept up throughout the year in private homes, it would spread to governments and from governments to nations, for only too true is the saying that "governments begin in the home." This is an ideal to be striven for, for once it is reached it will mark a new era in the history of mankind.

With the earnest thankfulness that we are still residents of a democratic and war-free country, and with an entreaty that we may remain so, the Globe falls in line with the rest of the world and wishes with all sincerity, all its readers and friends the age-old but ever new—**Merry Christmas.**

And Why Not ?

HIS MAJESTY, KING GEORGE VI., celebrated his birthday on December 14, but because his natal day is in December, the birthday is observed throughout the British Empire on June 23. This provides a public holiday for people throughout the world in June. If the King's birthday can so blithely be celebrated six months after the actual event, why not re-arrange some of our holidays so that they are made more convenient for the working public?

A recent convention of the Ontario Associated Boards of Trade and Chambers of Commerce decided to petition the Dominion Government towards having the national holidays such as Victoria Day and the King's Birthday fall each year on the Monday. This has several advantages, the most important being it provides a long week end for business men and women, allowing them to enjoy more fully the advantages of the holiday. Christmas and New Year's Day would be difficult to re-adjust, but there seems no reason why many of the other holidays could not be re-adjusted to benefit the masses.

As the Drumheller Mail observes, "With the calendar at present in use, holidays are so variable and frequently so inconveniently placed, that they fail to provide the opportunities for recreation. Holidays coming in the middle of the week interrupt business and fail to give those who so desire an opportunity of spending the festive day with the 'old folks at home.'"

If a plebiscite were taken on this question, there is no doubt but that people would heartily endorse the changing of holidays to benefit to a greater extent the working man and woman.

Let us hope the Dominion Government will act on this matter.

War By Narcotics

(From the Hong Kong Press)

THERE is no doubt whatever that the Japanese, finding themselves unable to subdue the Chinese people and win them over by force of arms, are wilfully attempting to break down their morale by destroying them body and soul with a form of warfare far more deadly than the use of poison gas along the Yangtse front. They undoubtedly realize that the Chinese masses cannot be intimated or browbeaten into accepting their obnoxious rule, so they are resorting to a mean, dirty and underhand method of exterminating them, namely, with drugs—heroin and opium.

That this is not mere Chinese propaganda is borne out by the fact that all impartial observers who have arrived in Hong Kong and Shanghai from North China agree that all legal control of the narcotics trade imposed by the National government of China before the outbreak of hostilities ceased to exist and that drugs were openly encouraged as soon as the Japanese invasion commenced.

Through the Eyes of a Country Woman

By BRIDGET

A HAPPY CHRISTMAS to all my readers—and a Prosperous New Year to follow. I would like to wish you all, everything that you wish yourselves, but by that I do not mean overnight riches or fame, only a really happy, contented day with your children and loved ones gathered around you. What more could you wish for yourself than that? Many Canadians have not many relations to gather around, but they can spend the day for their children, the new Canadians, and thank God that their lot lies in this peaceful, pleasant country of ours. I do not often counsel contentment, for that is the surest way to stagnation, for contentment is the embodiment of the antithesis to progress. However, on Christmas Day let us be content to pause and count our blessings, and in so doing, let us think with true pity on the poor people not so fortunate as ourselves. Let us, for instance, remember the persecuted Jews; poor, bleeding Spain and war-torn China. Let us think for a brief moment about the newly orphaned children, the widowed women and bereaved mothers in these saddened lands, and by the measure of our pity, realise a little the blessings we have here in this great Dominion of ours.

Christmas always brings to mind how extraordinary it is that so many of the customs observed at this festive time are pagan in their origin. Mistletoe, with its pretty greenish-white berries, nestling among pale green leaves, plays a large part in Christmas celebrations in the old countries, and this is a relic of the old heathen Druids of ancient British days. The turkey at Christmas is of American origin, and of comparatively recent years; but don't we all now look upon the turkey as a necessary adjunct to our Christmas Dinner, so quickly are customs born!

Christmastime is essentially Children's Time, for after all, as Christians, this is what we are celebrating, the Birth of a Little Child. Isn't it lovely to see a bunch of expectant little faces at a Christmas tree concert? When they have finished their little "pieces" and their songs and dialogues, they sit on uncomfortable, hard benches, straining their ears to hear the sound of Santa's bells. It is quite a thrill to sit and watch the glory of implicit belief shining in those young eyes, and feel that we have played a small part in giving them this pleasure. These concerts teach the children a lot more than just words and music—they teach them a spirit of give and take, a sense of deportment, a desire to "play the game" to the best advantage of their respective schools. The little treats they receive at these concerts are sometimes the only Christmas treats some children get, and for that alone, are very well worth while.

It is hardly believable, the warm weather and black roads are foreign to our conception of Christmastime in Canada. Usually at this time the land is sleeping peacefully under a mantle of Snow. All around is virgin white in beautiful contrast to the bright blue skies of Alberta. Do you remember, how for the last two years, when Christmas morning came, it came to us framed in diamonds, the trees self-decorated with gleaming strands of silver frost, the air chill, and invigorating? Perhaps Mother Goose will start throwing down her little white feathers this week, but even so, our hopes of a white Christmas are slim.

Before I close, I would like to thank those readers of this column who have kindly given me a word of appreciation and encouragement during the past year. Those were such worthwhile gifts—something to be cherished and thought about when life seems complicated and the benefit of one's efforts doubtful. One bereaved reader, ignorant of the identity of "Bridget," spoke of comfort received on reading one of these articles, and that alone has made the writing of 52 articles this year very worthwhile. It is an extraordinary trait in human nature to accept things as they come, and only if displeased, voice disapprobation. A little word of cheer, of encouragement, of appreciation, is so easy to give, and it may mean more than we can visualise to the recipient.

So, once again, I am going to wish you a very Happy Christmas and you must interpret for yourself what this word "happy" means to you. Would that the words of the angels' song on that first Christmas Day, more than 1900 years ago, "Peace on earth, goodwill to men," were realised today. With war, and the daily spilling of innocent blood, how far is the world removed from that Christian ideal? That there is ample goodwill among individuals is proved by that mountainous heap of more than 55,000 nickels which the people have poured into Calgary to feed those less fortunate than themselves on Christmas Day. The problem that presents itself to us is, how can this Christmas Goodwill be prolonged into a daily feeling of goodwill towards our fellowmen; for, by so doing, most, if not all, of our present ills would be eradicated.

MERRY CHRISTMAS !

THE POWER AGREEMENT

Editor, Lacombe Globe :

Dear Sir,—As the time is drawing near when the Town's ten-year agreement with the Calgary Power Company is about finished, it seems to me that this matter should be talked over with the ratepayers and users by the Town Council before signing on the dotted line again. I wonder how many people realize that by the end of the ten-year term the Power Company will have taken approximately Four Hundred Thousand Dollars from the people of Lacombe and district, and this large amount on an investment of about One Hundred and Twenty-five Thousand Dollars. This amount is made up from approximately

$ 1,800 for looking after the disposal plant per year.
$11,000 for water per year.
$ 3,000 for the use of the fire hydrants per year.
$ 2,000 for lighting the Town itself per year.

—Making a total of $184,000 in ten years, for just these four items alone.

Then we have the balance made up of light and power users. I would suggest that six or seven hundred dollars would be plenty for about four hours work a day at the disposal plant. This amount that we pay for the disposal plant pays the salary of the Company's manager here and they have him for their own use for the purpose of reading meters and attending to their business—free (some graft). And then there is the hydrants—just think, thirty-six hundred dollars a year—in ten years, thirty-six thousand dollars. I can't see why we should pay at all for this item—or if there has to be time spent by one of their employees, I think five hundred dollars would be plenty. This is another graft.

The amount for lighting the streets I won't question, though the amount seems high. Then there is the matter of the thirty-cent service charge. This is an outrage and nothing but a steal. I wonder what a customer would say if a merchant charged service charge for making out his bill. The meters are put in for the Company's benefit—not ours. I would suggest that the Town Council call a public meeting before it is too late and see what the people think of this matter.

Also, Sir, some months ago I read an article in the Globe dealing with this, and from its wording, those from the Council that attended the meeting at Innisfail just about think that we cannot do much about it except sign on the dotted line. In my opinion, this is not so. There is plenty we can do and should do. We can go on strike and refuse to pay the bill. No, they won't cut us off. They might cut off one or two, but not the whole town. If they tried to do that then our Health Officer for the Town would step in. Also, we could buy them out, and not have to have a bond issue either. The Council of a few years back made a bad deal for us. Is our present Council tough enough to deal with this NOW? I doubt it.

Regarding the lights, I know some say it is high, but remember what we had to pay the Town. To this I would say while it is true we paid, I think, sixteen cents to the Town for lights the last year it had them, as against ten cents now, it is also true that we could use 40 or 50-watt lights then, and now it takes 60-watt bulbs and needs 75. The lights are a great deal poorer.

Yours truly,

D. SEATON THOMPSON.

BENTLEY. — Miss Margaret Craig is here for the holidays. She is attending Normal School at Edmonton.

Mrs. Guillemaund and daughter Annette are visiting relatives in Edmonton.

Mrs. Nathan will spend Christmas with relatives in Calgary.

Miss Jean George, who has a dancing class of about 25 pupils here, sponsored a dancing revue at the Community Hall on Friday evening last. The various numbers were well received and showed painstaking and thorough work on the part of the teacher. Five little tots of pre-school age were included in the cast. Miss George appeared in "The Dying Swan" dance. She was assisted by her brother and Miss Isabelle George played the piano accompaniments.

Ladies' Auxiliary Meets

The Ladies' Auxiliary of the Bentley Community Hospital held its regular monthly meeting at the home of Mrs. W. A. Henry recently. Officers elected for the ensuing year were: Mrs. M. S. Witherell, president; Mrs. W. Waldern, vice-president; Mrs. G. Vandervoort, secretary-treasurer. Following business, the hostess served lunch.

Some of the ski enthusiasts of the district are having a ski jump erected at some point on Sunset Hill, west of Bentley.

Born at Bentley Hospital on Saturday, Dec. 17, to Mr. and Mrs. W. Waldron, Bentley, a son.

A large crowd was in Bentley on Saturday last, when the business sponsored a free show and treats for the children of the district. About 500 bags of candy were handed out as the children left the hall.

Toy Balloon Flies 400 Miles

HAMPSHIRE, Ill. — To settle their opinion as to how far a hydrogen-filled toy balloon would float, Horace Pfingsten and Edward Schiescher turned one loose on the prairie breezes.

The balloon was found on the F. E. Butler farm near Peoria, Ohio, some 400 miles away.

For many years there have been regular movements of oats from Canada to Switzerland, principally for army requirements.

Spruceville

(From Our Own Correspondent)

SPRUCEVILLE. — The Busy Bees (Junior U.F.A.) held their annual meeting last Saturday night, and the new officers elected were:

President, Morris Barnes; Vice-President, George Marshall; Secretary, Jean Saunders. Plans were made to fix up the hall for badminton. It was also proposed to publish a monthly news sheet and to hold a dance in the near future.

A hockey team composed of Spruceville and Jackfish boys went to Blindman last Sunday and defeated the Blindman team by a 4-3 score. A return match is to be played Dec. 27.

Mr. and Mrs. Heath were Alix visitors last Sunday.

The special Christmas service held in the hall on Sunday was largely attended.

The U.F.W.A. held its annual meeting last Wednesday, when the retiring officers were re-elected. The ladies decided to hold a card party and social evening for the community during the holidays. Mrs. Laura Young was chosen as delegate to represent the local at the forthcoming U.F.A. convention in January at Calgary.

Don't forget the New Year novelty dance at the hall on Wednesday, Dec. 28.

William Kien returned to the Spruceville district a few days ago.

The Proudfoot family are now established in their new home. They are expecting their eldest son, Harry, with his wife and family, for the Christmas holiday.

Wood sawyers were busy at Nelson Hall's on Tuesday.

School concerts are now the order of the day, with the youngsters keeping Santa on the hop. Tough sledding this year!

May your correspondent wish all members of the Spruceville district a very Happy and Pleasant Christmas.

Weddings

BRIGHAM—McCONNELL

The wedding took place at St. Cyprian's Church, Lacombe, on Wednesday, Dec. 14, of Mr. Earle Spencer Brigham of Stettler and Miss Mae Carson McConnell of Nevis, only daughter of the late Mr. James George McConnell and Mrs. E. McConnell, Nevis. Miss McConnell was given away by her brother, Mr. George McConnell. The bride wore a maroon velvet dress, with hat to match. She was attended by Miss Fuller of Calgary. Mr. Fred McConnell, brother of the bride, was best man.

The ceremony was performed by Rev. W. E. Herbert, and Mrs. W. E. Herbert rendered appropriate music on the organ.

After the ceremony a banquet was held at the Empress Hotel, where many guests enjoyed a delicious meal. After a short honeymoon, the happy couple will take up their residence in Edmonton.

Athletics Down Red Deer, Camrose In Thrilling League Hockey Games

Defeat Red Deer 4-2

(Continued from Page One)

and penalties were handed out liberally.

It was the third period that provided all the excitement from the Lacombe point of view. The local boys started from the drop of the hat with five men up that netted a tally three minutes from the opening bell when Haverstock dented the twine on a pass from Roberts. Roberts scored unassisted less than two minutes later, and a minute later Clift countered to make the score 3-1 for Lacombe. Pile-up after pile-up occurred in front of the Red Deer nets as the Lacombe team pecked away at Dillon and bored in quickly to snap at rebounds. Penalties were numerous and decisions argued as sticks came high on several plays. Chapman and Clift were sent to the cooler together, and Lacombe, with two men short, left their goal unprotected to bore in on a surprised Red Deer defence and score with Brooks banging in Roberts' pass. With less than a minute to go before the end of the game, Gordon scored for Red Deer on a play that looked as though the entire Red Deer team was inside the crease. The referees ruled it a goal, however, and the game ended that way—4-2 for Lacombe. A sweet victory for the Lacombe team.

Lineup of Teams

LACOMBE—Stewart, Tomalty, Hoppus, Brooks, Roberts, Haverstock, Code, Irish, Chapman and Clift.

RED DEER—Dillon, Alexander, Kee, Burns, Kennedy, MacArtney, Hayhoe, Gordon, Simituk, Blades and Young.

Referees—Bill Martin of Red Deer; Charles Lewis of Morningside.

Summary of Goals

First Period — 1, Red Deer, Simituk. Penalties: Burns, Chapman, Kee.

Second Period — No scoring. Penalties: Brooks and Kennedy.

Third Period—2, Lacombe, Haverstock (Roberts); 3, Lacombe, Roberts; 4, Lacombe, Clift (Irish), 5, Lacombe, Brooks (Roberts); 6, Red Deer, Gordon (Blades). Penalties: Kee, Clift, Chapman, Hoppus, Blades, Burns, Alexander, Brooks and Hoppus.

SUNNY CREST. — Remember the date of the Christmas concert, Friday Dec. 23, at the school.

Mrs. Ray Gee left Tuesday for Vancouver, where she will spend Christmas with her daughter, Marjory, and her mother.

Mrs. B. F. Barr and daughter, Mrs. Deb. Riley, were Red Deer visitors last Saturday.

Mrs. H. Woods and family motored to Red Deer last Saturday with Rev. and Mrs. F. Coxson.

Sunny Crest and Aspen will hold a joint service at Aspen on Sunday, Dec. 25, at 2:30 in the afternoon.

Abraham Saunders, Sr., and grandson Orville left last Saturday for an extended visit to London, Watford and other points in Ontario, where they will visit with relatives and old acquaintances.

Tees Tattle Tales

By TATTLER

TEES.—As a start his week my whole thought is very Christmasy. I wish to both thank and wish those who tolerate the Tees Tattle Tales a Very Merry Christmas.

A good crowd from Tees motored to the Nebraska School on two occasions lately. The first trip was to take in the Wheat Pool gathering, to get the convention report of the Pool's doings and to see moving pictures, showing grain processed, from preparing the soil to its eventual culmination in a loaf of bread to the consumer. This was a very educational gathering and enlightening to the farmers of the district, to witness the different phases that wheat from our western provinces goes through.

The other gathering was the annual Social Credit meeting. This meeting was addressed by Bruce McMillan, M.L.A., who explained what the government is doing and what it is trying to do. Several digs were handed out to C.C.F. speakers—they were even termed as "wind-bags" travelling up and down the country trying to undermine the government. Of course the old U.F.A. wasn't undermined by the present government. They, we heard, were only a bunch of dough-heads to begin with. We also heard that the present government is made up the brainiest group of men that could be gathered together in one government. After all these bouquets were handed out and the C.C.F. criticized, we heard some inside dope on what the Social Credit theory contemplated doing.

Shower For Bride

Friday night the local hall was crowded to overflowing by well wishers with presents to shower on our latest bride, Mrs. Reg. Wilkenson. Many useful household needs had to be carried home by the happy girl, assisted by her popular husband. Dancing held the crowd until around 2:45 o'clock Saturday morning.

Mr. Wilkenson would like to make a correction in the wedding report in regard to the best man. Mr. Ben Tymsten acted in this capacity and evidently an error was made in the original report from the church. The reason for this, "Reg. says," several young ladies have been bothering him for the address of the good looking fellow, so he figured if the correct name of the gentleman was available the girls would leave him alone, and bother someone else.

Wednesday night last, while riding home on horseback, Bill Davies was thrown hard when his horse ran into a wire gate, resulting in a broken arm and bruises. Bill was accompanied by two companions, who rushed him back into Tees, where the boy's father was rounded up. Mr. Davies took his son to Lacombe for treatment. Latest reports say that Bill is progressing favorably.

The local rink is gradually getting a coat of ice, due to the unceasing efforts of Tom Cunningham.

Turkeys and geese from this district will grace many tables

Camrose Beaten 5-4

(Continued from page 1)

make the score 2-1 for Camrose but the Maroons came back fast to notch another counter before the end of the first frame.

Haverstock Scores

The Athletics started off the second period with every man up and kept the play inside the Camrose blue line for five minutes at a time. Haverstock scored on a lovely pass out by Roberts and Clift countered again to even the score. Ryan scored for Camrose on a breakaway, but the Athletics came surging back to even the score again at 4-4 on a goal by Brooks. The third period was wide open, fast hockey, with both goalies at their peak to keep their net intact. Maguire, in the nets for Camrose, was kept hopping, stopping shots from all angles until Hoppus finally countered on a nice shot from the sides. Stewart was sensational in the Lacombe net as time after time he robbed Camrose forwards of goals. The game ended with Camrose trying to organize its attack and being prevented by the pesky Athletic forwards, who broke up plays before they got underway.

Lineup of Teams

Lacombe — Stewart, Tomalty, Brooks, Hoppus; Haverstock, Roberts, Clift, Chapman, Ken Irish, Miles, Chet Irish.

Camrose — Maguire; Reimer, Townsend, Weiss; Soley, Shaw, Patrick, Elock, Ryan, Weiss, Gau, Mohler and Brown.

DRIVERS' LICENSE PLAN PROTESTED

Protests against the Provincial Government diverting revenue from drivers' licenses to the general revenue fund of the province were expressed at the recent annual meeting of the Edmonton branch of the Alberta Motor Association.

A resolution adopted by the meeting drew attention to the fact that heavy taxation is imposed at the present time in this province.

The resolution declared that it was "unreasonable and unfair" for the government to exact the levy on drivers purely for revenue purposes.

Feeling of members was that if the proceeds from the drivers' licenses were used directly in the interests of motorists, it would be a different matter. But to collect around $120,000 a year on the $1 annual licenses basis for revenue purposes only, met with objection and criticism.

far and wide over Western Canada and the United States this Christmas. During the past week individual shipments have gone forward to the far north, west and south.

Dick Lakeman, who has been unwell for several weeks, left on Monday morning for Edmonton to undergo treatment.

Mrs. E. E. Seal spent the week end with her daughter, Mrs. Litch, at Edmonton.

MAY URGE LOWER GASOLINE PRICES

This week the royal commission appointed by the Alberta Government to investigate conservation and marketing problems and to recommend what should be the retail price of gasoline and fuel oil in this province, resumes its sittings in Calgary.

The sessions of this committee are regarded as of primary importance to all motor vehicle operators whose problems include those of fuel prices and consumption.

When it is noted that British Columbia is taking vigorous steps to reduce the price of gasoline, there is keen interest in the investigation being made in Alberta.

Public confidence has been expressed in the personnel of the royal commission, headed by Mr. Justice McGillivray, with Major L. R. Lipsett as his colleague on the two-member board.

Preliminary investigations have been made and it is anticipated that some of the most important evidence for the inquiry will be submitted this week.

The Alberta Motor Association, which has made strong representations as to the need of lower gasoline prices in this province, probably will make a submission to the commission.

Blackfalds

(From Our Own Correspondent)

BLACKFALDS. — Your correspondent wishes to join the proprietors of this paper in wishing all its readers a very merry Christmas and a bright and prosperous New Year.

Last Sunday the C.G.I.T. girls of Lacombe took charge of the services in the local United Church, giving us a repetition of the service which they held in Lacombe the previous Sunday. The girls acquitted themselves splendidly in their candle lighting service, and the congregation, which was much larger than usual, enjoyed it very much. There will be no Sunday School next Sunday, but a Christmas service will be held by Rev. A. L. Carr at the usual hour.

Holy Communion and Christmas Service will be held in the Anglican Church Sunday at 11 a.m.

The Alberta Wheat Pool presented a program of motion pictures, together with speeches by Messrs. J. W. May and Grafton, at Aspelund Hall last Monday night, and at Fred Bills' Hall the next night. Many interesting pictures were shown, which the children enjoyed very much. Later the speakers put forward their views regarding the marketing of wheat to the smaller audience that remained to hear them. The pictures were shown first to enable the children to get away at an early hour.

Fred Bills put on another dance last Wednesday night and it was greatly enjoyed by all present.

Receives Sad News

The sympathy of the community is extended to Mrs. Marlin, who last week received the news of the death of her mother in the East last week, also to Mrs. Dale, whose sister, Miss Milne, passed away in Edmonton last week. Mrs. Dale was in Edmonton for the funeral.

Miss Winnifred Moss left for a short visit in Calgary last week.

A successful turkey raffle was held last Friday at the Buckley house, with a fairly good crowd in attendance.

Miss Fay Tatlock is building a dwelling for herself in the grounds of the Aspelund School.

The Royces suddenly decided to move to Edmonton last Saturday after a residence of over 10 years in the village. Their many friends here wish them every success in their new home.

Doesn't Envy Modern Girl

The active lives of young people of today may be all right, says Mrs. Rosanna Holden, 107, of Ottawa, but so far as she's concerned she would rather knit by the fire. Her biggest recent worry was that an injury to her shoulder, suffered a few days ago in a fall at her home, would prevent her from her favorite pastime. After a brief stay at the hospital she returned home, where she posed with her dog Toots for this picture. It was Mrs. Holden's second trip to hospital in her long life.

Aberhart May Retire From Provincial Politics Soon

By T. B. WINDROSS

EDMONTON.— Possibility that Premier William Aberhart may quit the provincial political field soon is being discussed here this week.

Officially there is no information on the subject beyond the Premier's public statement last week that he may soon "ask the people" to let him retire. Unofficially it is believed widely that he is debating whether to inject himself into federal politics on the side of Prime Minister Mackenzie King, or on the side of Premier Hepburn of Ontario and Premier Duplessis of Quebec, or with Conservative Leader R. J. Manion under a banner of "Canadian Unity."

There has been no indication that any one of those leaders has asked or would want the support of Alberta's present Premier, but it is pretty well established now that Hon. W. D. Herridge, who did make some overtures to Premier Aberhart, never will make any headway as a political leader in Canada on his own account—and that Premier Aberhart realizes it.

The Alberta Premier now is represented to be studying the Federal political picture carefully with a view to deciding which faction should have his support, if any.

Return to Orthodoxy

Within Alberta, there are indications of a gradual return to orthodoxy and a lapse of some of the old Social Credit campaign cries which were successful in the 1935 election but which would not be valuable in the next provincial election.

G. L. MacLachlan, chairman of the Social Credit Board, said at a Social Credit party divisional meeting in Edmonton last Friday that "Thwarted in the legislative field, we are going into the co-operative field." Thus the Social Credit party stands now at precisely the same point where the U.F.A. stood in 1921, with the exception that the U.F.A. had not ruined the credit and the foreign reputation of the province.

MacLachlan announced that the government is setting up a marketing board, "to go into the field of massed buying as rapidly as possible and this, properly handled, can save large amounts."

That idea, he indicated, would be tied up with the treasury branches, or "credit houses."

Redistribution Considered

Reorganization of the Legislature's system by redistribtuion of the representation, with abolition of some ridings and enlargements or additions to others, received attention during last week in hearings held by the Legislature's special committee at Edmonton, Calgary and Lethbridge. One plan, advanced by Social Credit organizations in Edmonton and understood at the time to have the Government's blessing, called for abolition of proportional representation in the two chief cities and, in Edmonton particularly, the reduction of the present six seats, elected by proportional representation at large, to four seats which would represent four "wards" of the city. Submissions were given to the committee by several organizations, including Social Credit groups, who objected to any reduction in the number of seats in the House. Other representations urged reduction of the membership but at the same time, preservation of equal representation for all parts of the Province according to population.

Clive

(From Our Own Correspondent)

CLIVE. — The school teachers will all be greatly relieved when Thursday night, Dec. 22, is in the past—for that is the night of the Christmas concert, and every teacher is busy with continuous rehearsing, etc.

The C.G.I.T. of Clive took a very prominent part in the evening service at the United Church on Sunday, Dec. 18. Under the direction of their leader, Mrs. Kettyls, the girls presented the Candle-Lighting Service in a very delightful and impressive way. A pulpit lamp, presented by the C.G.I.T. was dedicated during the service.

The Christmas service on Sunday evening at 8 o'clock in the United Church at Clive will be in the form of a series of lantern slides, taken from a number of the great paintings of the Nativity. Christmas hymns will be sung in conjunction with the pictures.

We are looking forward to the New Year's dance to be held in the Community Hall on Jan. 2. The I.O.O.F. Clive Lodge is sponsoring the event.

A New Arrival

Mr. and Mrs. L. Hecht are receiving congratulations on the birth of a baby boy, born on Wednesday, Dec. 14, in the Lacombe Hospital.

The dance on Thursday night, Dec. 15, drew a very good crowd.

The Clive skating rink is in excellent shape this week. Three hockey games were played. On Thursday night, Dec. 14, Clive and Satinwood tangled, the home team winning by a score of 3-1. On Dec. 15 Alix visited Clive and chalked up a victory over the local team 4-2. These two games were played between the Junior teams. On Dec. 16 the Clive Senior team played against Satinwood Seniors and won with a 1-0 score. All the games were well attended. The hockey boys are taking charge of the rink and are selling tickets.

On Monday, Dec. 19, the local Seniors clashed with Satinwood Seniors and handed the visitors a 5-1 defeat.

That Christmas is just around the corner is evident from the number of Christmas trees outside the various houses in town, with their gay trimmings. The Clive correspondent wishes every Globe reader a very Merry Christmas and a Happy New Year.

FISH KILL MOSQUITOES

In the war against mosquitoes, the cause of malaria in Australia, the civic authorities of Brisbane have placed Medaka fish in all of the city pools. The medaka resembles a small goldfish and has a voracious appetite for mosquito larvae.

POULTRY EXPORTS UP

Dressed poultry supplies from Canada to the British market in 1937, owing to heavier consignments of chickens, rose by 73 per cent. Imports from Empire sources increased 11 per cent and were higher than in any previous year except 1934.

FAIRVIEW—A dance was held in Arbordale school on Friday night, with a large crowd in attendance. Everyone had a good time, judging from the comments passed.

A piano was bought for the school with contributions collected in the community.

The C.G.I.T. Girls and the Mission Band took charge of the service in Fairview Church on Sunday. The church was nicely decorated for Christmas and the girls performed an impressive candle-lighting ceremony.

Miss Beatrice Stewart is visiting in Edmonton.

Mr. and Mrs. W. Ochs are expected to return on Friday from their holiday in California.

The Arbordale school is to close on Wednesday and the concert is to be held in the church that night.

Social Credit Divisional Meeting Held Thursday

Resolutions Passed During Afternoon Meeting; Public Meeting at Night Hears Various M.L.A.'s Defend Legislation

Norman Jaques claimed that the Dominion Government's "sound money" policy had ruined the primary producer of this country at the divisional conference of the Social Credit Association held at the Central Alberta Pavilion last Thursday. The constituencies of Innisfail, Red Deer, Stettler, Wetaskiwin, Ponoka, Camrose, Lacombe, Sedgewick and Coronation were represented at the conference. The meeting during the afternoon was closed to the press, but the evening meeting, in which the various M.L.A.'s addressed the gathering, was open to the public.

A report of the afternoon meeting, issued by a special press committee elected from the delegates present, was given to the press. Resolutions passed at this afternoon meeting included a request for the publication of evidence taken before the various commissions, such as the oil, tobacco, etc., investigations; that people on relief be permitted to engage chiropractors if desired; unanimous endorsation of vouchers; upheld the choosing of candidates by the advisory board as progressive and thoroughly democratic; requested mass buying of school books; demanded that municipal reeves be elected by the people; demanded that Social Credit be ushered in without delay, disregarding constitutional obstructions if necessary; asked that the pensionable age be reduced to sixty years and financed by the Dominion Government through debt-free money; asked for marketing legislation similar to that in British Columbia; endorsed, with only two dissenting votes, unity with progressive forces on a program of monetary reform.

During the evening meeting the M.L.A.'s of the various constituencies represented spoke briefly to an audience of approximately 200 people. D. B. MacMillan acted as chairman. The addresses were interspersed with musical numbers—a solo by Mrs. Norman Jaques, and one by Mrs. Davis of Tees. Messrs. Davis and Walters also entertained with a duet. Mrs. D. B. MacMillan accompanied at the piano.

The various M.L.A.'s in their addresses upheld the provincial government on the various legislative measures passed, and attacked the Dominion Government on their "sound money" policy as well as the tariffs which "penalize Alberta."

Ponoka School Board Holds First Meeting

W. J. Hoar was elected chairman of the Ponoka School Division School Board at the first regular meeting of the Board held in Ponoka on Friday. John Eadie was appointed vice-chairman. Drawing of names for the two-year trustee-ship was decided upon, and Charles A. Johnson, Bruce Stephens and Percy Fordham will hold office for two years, with John Eadie and W. J. Hoar retiring at the end of one year. It was decided that the regular meetings of the Board should be held on the first Tuesday of every month in Ponoka. The question of office location was left in abeyance for the time being.

DeForest Nelson was appointed as secretary-treasure of the Board, his duties to start shortly. A motion that the Board arrange credit to the extent of $15,000 with the Bank of Montreal, Rimbey, and $25,000 at the Bank of Commerce in Ponoka was passed. Authorization from the Minister of Education for these credits will be requested. Arrangements will be made at the Rimbey and Ponoka banks to honor outstanding cheques of the rural school boards after Jan. 3, 1939.

A motion appointing auditors for the various districts was tabled pro tem. A motion that any child attaining the age of six years before the first day of November in any year be permitted to commence school during the first ten school days of the fall term and not at any other time during the school year, was carried.

A motion that the secretary send out a circular letter to all secretaries with regard to the auditing of the books of the districts, immediate fuel necessities, was passed.

T.N.T.'s LOSE AT RED DEER

The Red Deer Junior hockey club spoiled the opening home game for the T.N.T.'s last Thursday night as they raced to a one-sided 8-2 victory. The first canto proved disastrous to the local sextette when they lost the services of Burden in their net, due to an eye injury. Sage replaced him in the goal for the homesters. The Star Cafe held the lucky ticket, winning the sack of flour at the game.

CHRISTIAN SCIENCE
At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Christian Science." One of the Scriptural quotations contained in the Lesson-Sermon is Matthew 7:28, 29, "And it came to pass, when Jesus had ended those sayings, the people were astonished at his doctrine. For he taught them as one having authority, and not as the scribes." One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is: "Our Master healed the sick, practiced Christian healing, and taught the generalities of its divine Principle to his students, but he left no definite rule for demonstrating this Principle of healing and preventing disease. This rule remained to be discovered in Christian Science" (page 147).

RECORD B.C. HONEY CROP
The Provincial Apiarist of B.C. estimates the total honey crop for the province during the 1938 season at 791 tons, with an average of 75 pounds per colony. This is a record, the highest total previously recorded being 756 tons in 1935.

Cantata in United Church Sunday is Well Attended

Seating capacity of St. Andrew's United Church was insufficient to accommodate the large number of people who turned out on Sunday evening to hear the Christmas cantata by the Senior Choir. Extra benches and chairs placed in the aisles and in the entrance lobby still left a number standing and some turned away.

The cantata, "The Wondrous Light," by R. M. Stults, was given a splendid rendition by St. Andrew's Choir, under the direction of Mrs. R. Warren, A.T.C.M., who presided at the new Hammond Electric organ recently purchased by the congregation.

An item of interest during the offering was the handing to the minister, Rev. A. L. Carr, by Fong Hin, the sum of $18.25, this sum representing a contribution toward the organ fund by the Chinese merchants of the town. A convenience to members of the congregation in following the cantata was a church calendar prepared by H. Edgar Todd. The church had been attractively decorated by the Senior Young People's Society.

Following the evening service Mr. and Mrs. G. E. Mann entertained the choir at the home of Mr. and Mrs. D. Cameron.

On behalf of the congregation and the choir, C. E. Todd, president, presented to Mrs. Warren, organist, a handsome cedar chest and a wool blanket, in recognition of her services during the year.

At the Sunday School service in the morning awards for perfect attendance during the past year were presented by the superintendent to the following students: Jessie Teare, Pat Robinson, Marjorie Buch, Janet Puffer and Ethel Frizzell, Bibles; Fred Teare, Gertrude Teare, Isobel Frizzell and Moira Edgington, certificates.

The annual Sunday School concert is to be held on Thursday, Dec. 22, and a watchnight service, with the Young People's Choir in attendance on Saturday, Dec. 31, at 11:30 p.m.

Spring Valley

(From Our Own Correspondent)

SPRING VALLEY.—On Wednesday night of last week neighbors gathered at the hall for a social evening and to complete plans for similar gatherings to be held on the second and fourth Tuesdays of each month. Two committees were appointed, one for the formation of an orchestra and one for a choir. The date of the next meeting is Jan. 10 at the Spruceville Hall. Everybody is invited to come.

Mrs. Norman Brooks, who recently underwent an operation in an Edmonton hospital, returned home on Monday of last week. She is progressing favorably.

About 10 days ago, Howard Sharpe, teacher at Meadowbrook school, suffered an attack of 'flu. He was ordered to rest for a while. He came out to Mr. and Mrs. William Suitor's, where his family joined him and where he has been in bed ever since. On Sunday evening last he was somewhat improved in health but was yet unable to leave his bed. Sorry, Howard—but we are asking Santa to bring you a whole bushel of health.

Mrs. L. McEachern, who was recently operated on in Lacombe hospital, was a guest at the home of Mr. and Mrs. Sam Forrest the last of last week.

On Saturday last some of the ladies and the teacher decorated the hall for the school's Christmas entertainment, to be held on Dec. 22.

Mr. and Mrs. R. B. Gray and Samuel of Winfield were Sunday visitors with Mr. and Mrs. Nichol Gray.

Beauty for YOU

The Secrets of Good Looks
by
Barbara Lynn

SECRETS OF SLIMMING

It is commonly supposed that women MUST get fatter as they grow older. This is not so. You can retain your slim and attractive figure despite advancing age if you are prepared to pay the price!

There are exceptions, of course. Certain glandular and functional changes, peculiar to women, sometimes affect one's weight. Some diseases, too, have a similar tendency. Women who are subjected to these conditions should seek medical advice before attempting drastic reducing.

However, most cases of overweight—85 in every hundred—are due to under-exercising and **over-eating**! A regimen of increased exercise and reasonable dieting is, therefore, the answer to the problem of surplus weight.

Here is an exercise which will help to make you more supple: Stand erect, feet fairly wide apart, arms outstretched at the level of the shoulders. Swing th body sideways to a right angle, then bend down. Whilst in that position reverse the body, come up and go down on the opposite side. Breathe out while going down; breathe in while coming up. Repeat five times.

My special leaflet on "How to Slim" gives further interesting exercises, as well as complete dieting advice. You can obtain a copy, and any of the following helpful leaflets, by sending a 3c stamp for each in required: Face Care; Bust Development; Reducing in Spots; Superfluous Hair; Eye Beauty; Your Hair; Hand Beauty; Feet Care; Underweight. Ask about your personal beauty problems at the same time. All letters are confidential.

Please mention this paper, and address your letters to: Barbara Lynn, P.O. Box 75, Station B, Montreal, Que.

SEED POTATO QUOTA

According to the preliminary report of the United States Commissioner of Customs, the importations of white or Irish certified potato seed from Canada into the United States amounted to 35,448,574 pounds (580,809 bushels) during the period Dec. 1, 1937, to Oct. 15, 1938. This represents 78.8 per cent of the quantity allowed to be imported from Canada during the 12-month period ending Nov. 30, 1938.

CANADA MAIN SUPPLY

The trade in barrelled or pickled pork, which is the main meat product imported by the West Indies (Eastern Group) and by British Guiana from Canada, has progressed steadily in recent years, until Canada is now the principal source of supply to these countries, in competition with the United States and Argentina.

MRS. RICHARD AVERY OBSERVES 105th BIRTHDAY

Mrs. Richard Avery, grandmother of Mr. W. Avery of Lacombe, recently celebrated her 105th birthday. Mrs. Avery, a resident of Mitchell, Ontario, received the added distinction of having received congratulations from the King and Queen. A telegram was delivered to her home on the morning of her anniversary, sending "heartiest congratulations and good wishes on this great anniversary."

Lincoln

(From Our Own Correspondent)

LINCOLN.—The annual Junior U.F.A. meeting was well attended last week at the home of Mr. and Mrs. John Bradley. Frank McNaughton and Betty Saunders were re-elected president and secretary, respectively, for 1939, while Katy Saunders fills the vice-president's chair. After the election of officers and all business was attended to, lunch was served and the rest of the evening spent in singing and games.

S. M. Murray made a short visit to our district last week.

Our teacher, Miss Golightly, and her pupils, are very busy preparing for their Christmas concert.

Mr. and Mrs. Floyd Carter spent Sunday with Mr. and Mrs. Henry Kamlah.

The members of the Junior U.F.A. are to be congratulated on the wonderful dance in the hall last Friday night. Here's hoping they don't forget to put on another in the near future.

The C.C. Club are putting on their annual novelty dance in the Lincoln Hall Friday evening, Dec. 30. There will also be a spot dance, so be there and see if you and your partner can be fortunate enough to win the prize.

Rebate on Motor License Plates Until January 10

Notification from the provincial government regarding rebates on all license plates being turned into the department by Jan. 10 has been received by J. Russell, local issuer of motor license plates. A rebate of 20 per cent of the wheelbase fee will be refunded by the government. Plates may be left with Mr. Russell, local issuer, at no extra cost outside of the cost of mailing. If left with Mr. Russell, the plates must be in his hands by Jan. 7.

C. Raymond Again Heads Woodmen

Charles Raymond, who has served for thirty consecutive years as Consul in the Order of the Modern Woodmen of America, was returned to that office by members of Camp 13324, Lacombe, when they held their annual election on Wednesday evening. Forty-eight members were in attendance at the meeting and plans were made to hold a dance on January 28 for members and their friends.

Other officers elected were: Advisor, S. Edmunds; Banker, H. G. Therriault; Escort, W. R. Gustafson; Watchman, F. G. Langrock; Sentry, Ed. Gustafson; Trustee, Mrs. E. H. Aldwinckle; Degree Captain, Mrs. A. Jenkins; Lunch Convenor, Mrs. J. Baldwin.

Twelve Artists Obtain Audition at Avalon

Twelve local artists appeared before Senor Roy Lobo on Tuesday night in the Avalon Theatre and secured an audition, in his search for amateur talent for the radio, theatre and moving pictures. Those receiving an audition were: Grace Heslop, singer; Clare Abbott and Lou Chapin (guest artists), banjo duet; Shirley Mitchell, singer; George Marshall, actor; Flore Chretien (Guest Artist), pianist; Glen Sampsel, singer.

Lucille and Gertrude Frizzell, torch singers; Mrs. F. Christien, singer; Helen Gillen, singer; Lyle Frizzell, Clare Abbott and Lou Chapin (Guest artists), violin and banjo.

Senor Lobo made special mention of George Marshall, who showed good training.

Brubaker in the New Yorker: Take no stock in this Russian talk that England and France made peace with Hitler because they were afraid of losing the war. They remembered 1918 and were afraid they might win.
